BUSINESS CHANCES.

Mr. Hotel Man:

Why go out of business simply because Virginia is dry?

Why not transfer your business to a place that isn't and wont go dry?

I have the best location for a hotel with license in the fastest growing resort on the New Jersey Coast, with practically no compelition, and only 90 minutes from Philadelphia.

This is a gilt edge proposition, and if you are strong enough to handle a big thing, that's a good thing, I want you to investigate.

You'll be my guest while here looking into the matter, and if you land, your trip costs you nothing.

Think of this—a community, recently made a borough, that has advanced 1612 per cent in its seven years of existance, two railroads, automobile boulevard, trolley road, mail, telegraph, parcel post, express and freight service; two fire companies, school, two churches, apartment houses, boarding houses, stores, cottages, bungalows, pure artesian water, electric lights, granolithic sidewalks and curbs, sanitary sewerage system and—well, it's a cinch.

Can't you see it? Come up here and let me show you—that's the best way.

Drop me a line, and I'll send you some of the town's literature to read on your way up.

way up.

Remember, this is a real business profiposition for a real business man, and it won't last long. If that's yeu, write, wire or phone, but if not-save that change.
